# About Shree

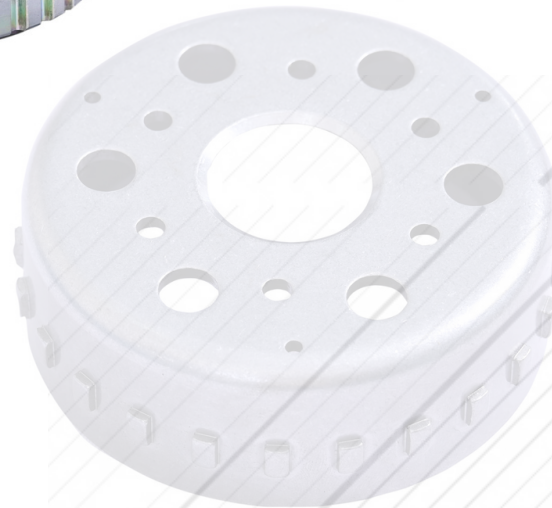

We offer a diverse range of sheet metal automotive parts. Our offerings includes fly wheel magneto cups, magnet case, heat sink brackets, spring seats, knuckle brackets, pipe cans, hinges etc. Our components are made using various grades of material – SS 202, SS 304, MS, SAPH 440, various grades of Aluminium etc.

Deep drawn component is our expertise. Parts are produced using auto feeder blanking and advanced dies – progressive tooling.

# Flywheel Cup

We manufacture 60 varieties of flywheel magneto cups of thickness 3-6.5 mm.
